How to read this guide and what it covers

This edition includes 72 schools with published 2026 domestic fees. The internal directory uses the South Australia Education Standards Board Schools Register and the ABS Greater Adelaide GCCSA (4GADE) boundary. Fee information was compiled on 16 July 2026 (AEST). School fees can change, so ask the school to confirm its latest fee schedule in writing before paying.

All amounts are in AUD. Reception–Y6 figures use the fixed annual total stated on a school-owned webpage or school-hosted document. They include published compulsory ICT, service and capital levies, plus any clearly required year-level camp. Optional items are excluded.

Schools are listed alphabetically. Each group first shows the school, suburb, year levels and official source, followed by Reception–Y6 fees and upfront payments. A dash means the 2026 fee information does not state that item; it does not mean the item is free. A payment credited towards tuition is part of the upfront cash requirement but is usually not an additional net cost.
