Families budgeting for private school from Prep to Year 6 in Brisbane

How to read this guide and what it covers

This table includes a total of 24 schools that have clear prices on their official website for 2026 domestic. Fee information was compiled on 15 July 2026 (AEST). School fees may be adjusted. Please refer to the latest fee schedule confirmed in writing by the school before making payment.

Amounts are in AUD. The Prep–Y6 column uses the 2026 domestic fixed annual total clearly stated on the school's own webpage or school-hosted documents, and counts the clearly disclosed levy that each family must pay into the individual child number. $\geq$ indicates the minimum total for known mandatory events, camp or activity fees may apply.

Schools are arranged by English name. The first table on each page is for the school, suburb, grade level and official school source; the second and third tables are for Prep–Y6 and upfront payments. – means that the school's 2026 fee information does not list this item, which does not mean it is free; 'not applicable' means that the school does not provide this grade. Please confirm family levy, activities/camps, equipment, discount eligibility, and refund conditions in writing with the school before registering, signing, or making payment.
