Published-fees edition · July 2026

Families budgeting for private school from Foundation to Year 6 across Greater Melbourne

01

How to read this guide and what it covers

This table includes a total of 33 schools that already have 2026 domestic fees on their official website. Fee information was compiled on 15 July 2026 (AEST). This is not a list of all private schools in Greater Melbourne; schools without published fees have been removed at the request of the public edition. School fees may be adjusted. Please refer to the latest fee schedule confirmed in writing by the school before making payment.

Amounts are in AUD. The Foundation–Y6 column is based on the annual fixed fee for the first child or a standard family, and consolidates mandatory items such as tuition, consolidated charge, resource levy, and technology levy that are clearly listed by the school and have verifiable amounts. ≥ indicates that there are still mandatory items that are clearly mentioned by the school but the amount is not disclosed, so the table only shows the minimum verifiable amount. Optional activities, uniforms, transport, meals, and unpaid camp, device, or school-based fees are not included in the table.

The table is arranged consecutively by LGA. The first table in each group is for the school, suburb, school type and official school source; the second and third tables are for Foundation–Y6 and upfront payments. – means that the school's 2026 fee information does not list this item, which does not mean it is free. Before registering, signing a contract or making payment, please confirm in writing with the school the family levy, school-based fees, discount eligibility, refund conditions and unlisted items.
